TRANSFER STUDENTS POLICY

Transfer Students are students who have completed a massage therapy program under regulations different from NYS guidelines regarding Massage Therapy Education & Licensing. There are two categories of Transfer Students:

1. Students who have completed a program with 500 hours or more of training
2. Students who have less than 500 hours of training

1. Transfer Students with 500 Hours or More of Training (Non-Certificate Transfer Students)

This student needs to submit their program information to the NYS Board of Education, Dept. of Comparative Education to receive an official assessment (called a “letter of deficiency” or “comparative education letter”) of what hours or courses he or she needs to complete in order to satisfy NYS’s required 1000 hours of training. These students are mandated by NYS to complete the proscribed hours of training at a school of Massage Therapy that is recognized as licensure-qualifying by NYS (such as CNWSMT) in order to take the New York State Licensing Examination for Massage Therapy and practice professional massage in the State of New York. These Transfer Students do not receive a certificate of completion from CNWSMT and are considered Non-Certificate Transfer Students.

2. Transfer Students with less than 500 Hours of Training (Certificate Transfer Students)

Students are able to petition CNWSMT (a NYS approved licensure-qualifying massage therapy school) to transfer in a maximum of 250 hours. The hours that CNWSMT accepts will be counted toward CNWSMT’s 1020 hour Certificate Program. These students will graduate with a Certificate of Completion from CNWSMT and will take the NYS Licensing Examination for Massage. They are considered Certificate Transfer Students.

Licensure by Endorsement

On rare occasions, NYS grants licensure by endorsement. The minimum requirements to be considered are completion of a 500-hour program, five years of practice and state licensure based on the NCETMB exam or other acceptable exam. The student must ultimately complete 800 hours of training, among other requirements, for his or her application to be approved. To learn if you are eligible to apply for Licensure by Endorsement, please contact the NYS Massage Board at 518-474-3817, ext. 150. If approved, these students do not have to take the NYS Licensure Examination.

Admissions Process for Transfer Students

When a Transfer Student’s application is received, the Director of Admissions and the Director of Education will review the information to determine the student’s requirements and whether CNWSMT can meet the prospective student’s educational needs. Upon determination of acceptance, the Admissions Director and Education Director will schedule an interview/meeting with the student to discuss policies, expectations, and proposed schedules.

CNW School of Massage Therapy offers equal opportunity, and does not discriminate on the basis of age, color, religion, creed, disability, marital status, race, sex, or sexual orientation.
