Office Sublet in Oneonta, NY

Oneonta, NY

Contact Name: George Ettl

Phone Number: 607-431-9191

Email: g-ettl@hotmail.com

Salary Range: It is difficult to put a definitive price tag on the space because it depends on the size being used and if there is buildout needed. We are very negotiable as this space was sublet by another professional in the past and is currently sitting empty.

Elevate your practice in a location designed for healthcare excellence. We have newly renovated treatment rooms available within Ettl Chiropractic, perfectly situated for practitioner success and client convenience. • Medical-Grade Privacy: Built originally as a medical office, our facility features superior soundproofing between rooms. Unlike typical retail spaces with thin walls, these suites offer the quiet, private atmosphere essential for massage and sensitive wellness treatments. • Modern Upgrades: Each suite features brand-new vinyl hardwood floors and a dedicated in-room sink. • Flexible Footprints: Sizes range from 10' x 12' to a spacious 20' x 25' (approx.) • Custom Build-Out: We will build to suit the 20' x 25' suite—let's design a layout that perfectly fits your specific equipment and workflow. • Ample Parking: Located directly across from the Dietz Street Public Parking Lot, ensuring your clients never have to hunt for a spot. • Built-in Referrals: Join a thriving practice with an established patient base actively seeking massage, acupuncture, or skin care services. • All-Inclusive: Rent includes high-speed Wi-Fi, all utilities, and a professional shared waiting area receptionist services could possibly be negotiated as well. We are looking for licensed professionals (LMT, Esthetician, Acupuncturist, etc.) who want to grow their business in a clean, quiet, and highly accessible environment.

Licensed Massage Therapist

Frederick, MD

Contact Name: Julia

Phone Number: 301-874-0031

Email: julia@citymagnolia.com

Salary Range: \$55-\$100 +tips

We are seeking a skilled and compassionate Massage Therapist to join our team. The ideal candidate will have a strong background in various massage techniques and a deep understanding of human physiology. This role requires an individual who is dedicated to providing exceptional customer service while helping clients achieve their wellness goals through therapeutic massage. The Massage Therapist will work in a supportive environment that values professional growth and client satisfaction. Responsibilities Perform a variety of massage techniques, including deep tissue massage, trigger point therapy, and pain management strategies tailored to individual client needs. Conduct thorough assessments of clients' physical conditions and discuss their health history to determine appropriate treatment plans. Maintain knowledge of medical terminology and occupational health principles to effectively communicate with clients and other healthcare professionals. Provide education to clients regarding the benefits of massage therapy, self-care practices, and pain management techniques. Ensure a clean, safe, and welcoming environment for clients before and after treatments. Keep accurate records of client treatments, progress, and any relevant changes in their condition. Uphold high standards of professionalism and confidentiality in all interactions with clients. Experience A valid massage therapy license or certification from an accredited institution is required. Proven experience in various massage modalities, particularly deep tissue massage and trigger point therapy. Knowledge of physiology and anatomy as it relates to massage therapy practices. Familiarity with acute pain management techniques and physical examinations is preferred. Strong customer service skills with the ability to build rapport with clients effectively. Previous experience working in a medical spa or similar environment is advantageous but not mandatory. Join our team as a Massage Therapist where your skills will be valued, and you will have the opportunity to make a positive impact on the health and well-being of our clients! Job Type: Part-time Benefits: Continuing education credits Employee discount Flexible schedule Opportunities for advancement Referral program
