## Massage Therapist

### Colonie, NY

Contact Name: Taylor Walden

Phone Number: 518-878-8464

Email: [fitnessvisionllc@gmail.com](mailto:fitnessvisionllc@gmail.com)

Hello! We are looking for a massage therapist to join our team. This ad is for a room rental of \$500 a month. If \$500 a month cannot be met initially we will accept \$20 per massage given until enough is made to rent the room. We are a small fitness studio that work with people 40+ so we have clients that are ready for massages! We train in small groups with music on at a minimal level. It is ideal that the massage therapist can give deep tissue massages and wants to work in an athletic environment. You have your own door you are able to shut, music you can put on if need be, and a massage table/desk ready to go. We have one very experienced therapist in now for a couple hours one day a week, but she is overbooked for how much she wants to work so we are looking to add to the team.

The room is about 150 square feet. Fitness Vision is trying to grow in the area of wellness. The goal is to build a team of professionals who can work towards having synergy together for clients to deliver the best possible experiences. If you want to work on a team that's growing and have your own independence in the work space this could be a perfect fit for you. We are also located within walking distance of the massage school at 20 Computer Drive West, Albany NY.
