Part Time (Weekend) LMT Opening

Woodstock, NY

Contact Name: Korneel Bouman

Phone Number: 347-693-9340

Email: korneel@woodstockmassageworks.com

Woodstock Massage Works is a well regarded, trauma-informed, LGBTQ+ affirming, and queer owned massage practice based in Woodstock, NY. The practice has an opening for a part-time massage therapist, working weekends (Saturday and Sunday), starting in January 2024. This is a position that offers support, but not a tremendous amount of handholding, so being comfortable operating independently is a must. In addition, maturity, being compassionate, in-tune with clients, and having a genuine desire to help people are highly valued, and more important than age or years of experience in bodywork. Previous experience with trauma-informed bodywork is helpful, but not required - happy to train the right candidate. This is a 1099 position with excellent commission paid out weekly. Active license and insurance required. Unfortunately I'm unable to sponsor limited permits at this time, but if you are interested in joining once you have your license, please drop me a line. To find out more about the practice, and what it would be like to work here, have a look at <https://woodstockmassageworks.com/work-here/> (and the rest of the website). To apply, or if you have any questions, send me an email at korneel@woodstockmassageworks.com to tell me a little about yourself and your professional life to date.
